## VARIOUS IPL-RELATED AGREEMENTS

## INTRODUCTION

The MOUs listed below were prepared by BCCI in preparation for the inaugural IPL which took place in 2008. In some cases they were then replaced by basic/firm agreements, some of which were prepared by IMG (IMG did not prepare basic agreements with Indian players who were entered into the first 2008 player auction). In respect of those players who had agents the original intention was for the franchise to pay the relevant brokerage/commission direct to the agents and to deduct this from the player fee. IMG is not (due to issues of confidentiality etc) aware of the amount of any sums actually paid by the franchisee and received by the agents or paid direct by the players to such agent.

Where a player who had been contracted by BCCI was either not selected in the player auction or was selected at a fee lower than the sum guaranteed under the agreement with the BCCI then BCCI agreed to pay the difference to the player and also to make payment to certain agents of their brokerage/commission. IMG does not have copies of signed agreements relating to this.

## MOU/PLAYER RETAINERS WITH BCCI

Part 1 lists those MOUs in IMG's possession.

Part 2 lists those MOUs which we understand exist but are not in our possession.

Part 3 lists the player retainer agreements in our possession.
